

Vape Day at The Capitol

Tuesday, Feb. 9, 2016
9:00 am to 3:00 pm
Willamette Heritage Center
1313 Mill St. SE
Salem, OR 97301

Coffee will be provided in the morning and lunch will be provided at noon.
Speakers will include our lobbyist and State Legislators.

If you are a vaper or sell vaping products and you care about protecting your rights, you need to attend Vape Day at The Capitol!

This is not a rally or vape-in. Instead, you will get to meet your State Senator and State Representative one-on-one. It's the most effective way to influence the way they will vote on legislation that affects the vaping industry. Last year they proposed 16 anti-vaping bills and with your help we defeated all but one of them. This year we need your help again!

And -- the only cost to you is your time!

You must register by February 5th so that we can get you scheduled with your Senator and Representative.
